The Data-Driven Storefront: The Skills & Strategic
Insight Shaping Stores of the Future.

Who Are We? What Do We Do?

In association with
COPELAND

LoweConex

We are OmniTech.

Omni

A combining form meaning 'all', everything in everywhere.

Technology

The application of scientific knowledge to the change and manipulation of the human environment.

OmniTech

One technology that connects, controls and integrates data across environments.

Where Complete Connectivity Meets Total Control.

COPELAND

Food Safety +
Compliance

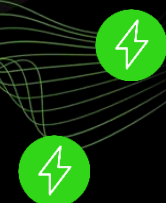

Proactive
Maintenance

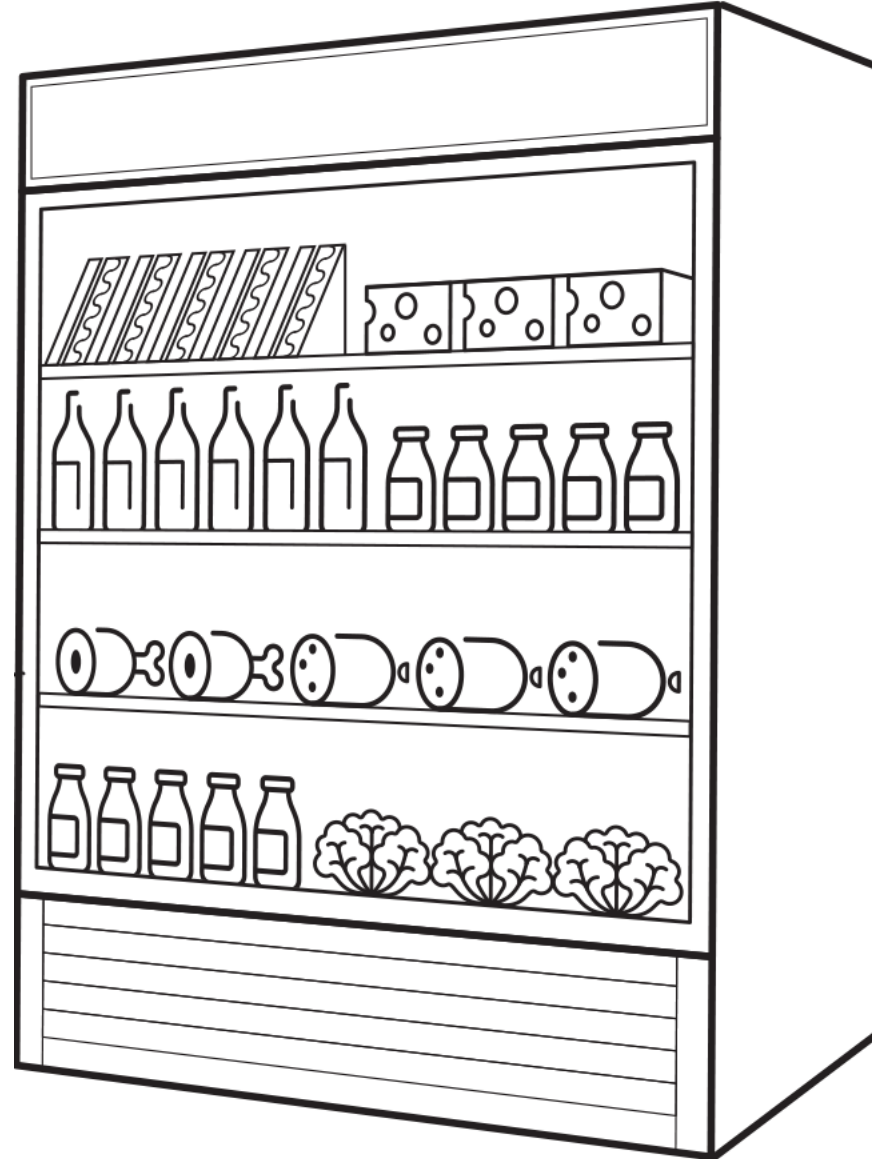

Create a
Connected
Store Driven by
Data.

Energy
Management

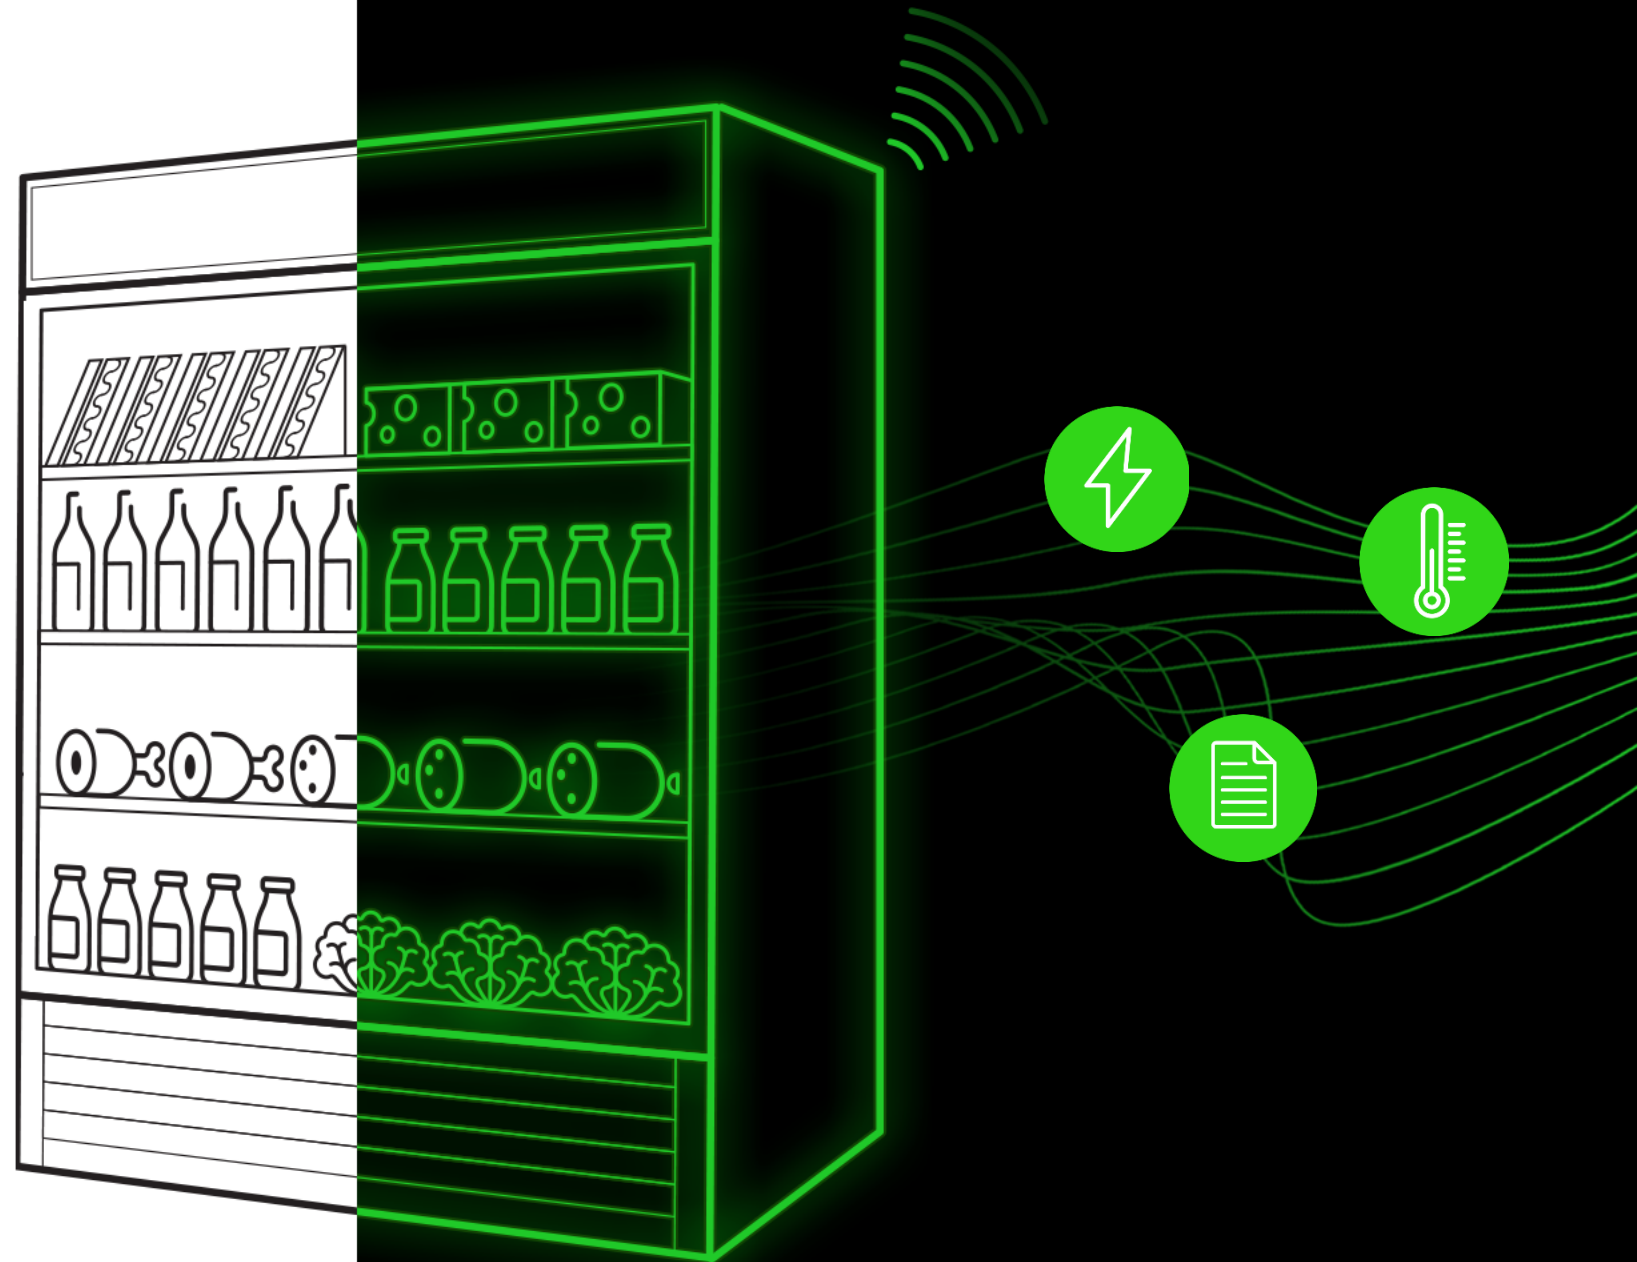

Lack of
connectivity +
control across
retail estate.

Resulting in
stock loss, high
volumes of
repetitive
maintenance
and energy
wastage.

LoweConex

Used existing hardware infrastructure to deliver energy, maintenance + food safety savings.

21% annual
reduction in
energy
consumption.

Key Takeaways

In association with
COPELAND

LowConex

Shaping Stores of the Future, Today.

Repurpose existing hardware,
refit isn't required.

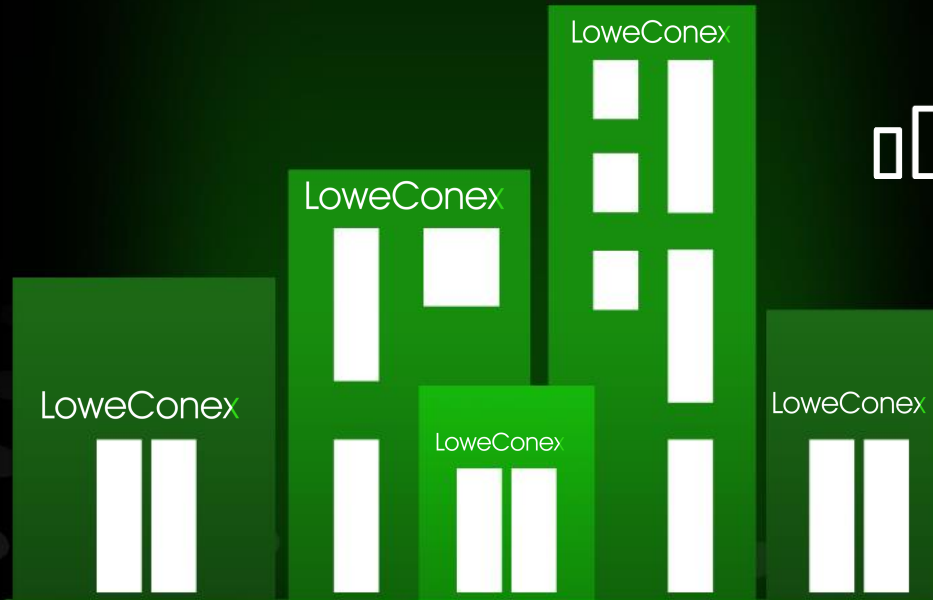

Centralise fragmented and
siloes data.

Understand the dynamic relationship between instore assets to
prevent optimisation based on false economies.

Implement real-time control to
generate efficiencies at scale and
drive cost savings.
